Reading of the Minutes

Minutes from the June 10, 2015 board meeting were reviewed. Minutes shall be amended to strike the following sentence from the minutes "Being no further business, the Honorable Judge Julian made a motion to adjourn the meeting. The motion was seconded by Glenn Summers. Motion carried."

A motion was made by Mary Beth Aliveto to approve the June 10th Board Minutes as amended. Motion was seconded by Dale Dawson-Clowser. Motion carried.

Member of the Public

Jason Mathis, a former apprentice (license lapsed 09/30/2010), requested the Board allow him to claim his experience hours and education from prior years. Mr. Mathis was advised to submit his request in writing along with a letter of support from his prior Supervisor. Further it was recommended that he review the Board's statutes and rules governing licensing and also the Appraisal Foundation/Appraiser Qualifications Board website for criteria governing licensing.

Patti Shamblin of WV Housing Development Authority was scheduled to attend the Board Meeting, however, requested to reschedule due to a conflict.

The Board addressed a question received via email from Keenan Shanholtz, a West Virginia licensed appraiser. Mr. Shanholtz stated he believes Legislative Rule 190-2-12.5B. is unclear as to whether or not appraisers on inactive status must keep their USPAP current, or if they must only be current at the point they become active. The Board Rules require USPAP to be taken every two years to meet Continuing Education Requirements. As of January 1, 2015, appraisers holding an Inactive License are required to take USPAP every two-years that they remain on Inactive Status for a period no longer than 5 years.

The Board addressed a question received via email from Erik Arkfeld, a West Virginia licensed appraiser. Mr. Arkfeld stated he believes the policy of only allowing appraisers to take courses within the September to September licensing period persuades appraisers to take only the minimum educational requirements and to not better themselves. Mr. Arkfeld specifically stated that he took extra courses the previous August and felt they should be allowed for continuing education. Legislative Rule 190-3-4.1 states as a condition of renewal, all licensees shall satisfactorily complete continuing education courses ... during each renewal term which is between September 1st of the prior licensing year and September 30th of the current licensing year.

A motion was made by Mary Beth Aliveto to move into Executive Session for the purpose of discussing Standards, Upgrades and legal issues. Ms. Dawson-Clowser seconded the motion. Motion carried.
